MEALS
HUSKY ONE CARD (UCONN ID)**

Meal Plan Sign Up and Payment

Students living in HAC are **not** required to purchase a meal plan; however below are some options.

How to Sign Up for Your Meal Plan

Purchase of a meal plan is optional. To sign up for your meal plan, call or visit the Dining Services main office in **Bishop Center** (860-486-3128). Office hours are: Monday - Friday 8:00 a.m.-5:00 p.m. Please choose a plan which you believe most closely reflects your eating habits and how many meals you will eat during your stay. Dining services staff will assist with this. Previously, some students have opted to purchase a community meal plan, which can be useful for morning and evening dining; however, during the lunch hour, it can be difficult to get to the nearest dining hall (a 10-15 minute walk) and back to class in time. Again, the dining services staff is very helpful in matters of determining which meal plan option is best for you.

How to Pay for Your Meal Plan

1. In person at the Dining Services office: Your meal plan payment will be applied directly to your fee bill. Dining Services does accept checks or cash in the main office.

2. Online through Bursar's Office: If you choose the option of adding your meal plan purchase to your fee bill at time of sign-up, (this is done at the Dining Services main office) your payment will be due within ten days to the Bursar's office. You may pay the Bursar's office in person (first floor of the Wilbur Cross building). You may also make free online e-check payments by going to <http://www.bursar.uconn.edu>. Credit card payments are accepted online only through the Student Administration System. There is a 2.5% convenience fee for credit card payments.

3. By mail: checks only – mail to the bursar's office (include your student ID on the check).
